2.1.3 is appropriate only for persons who, if they trade on margin, can assume risk of loss in excess of their margin deposit.

2.2.2 when the Client directs Aglobe Investments Ltd to enter into any transaction, any profit or loss arising as a result of a fluctuation in the value of the asset or the underlying asset will be entirely for the Client's account and risk;

4.5 The Client shall, unless otherwise agreed in writing, relative to Aglobe Investments Ltd enter into Contracts as Principal.

4.6 If the Client acts as Agent, regardless of whether the Client identifies the Principal to Aglobe Investments Ltd, Aglobe Investments Ltd shall not be obliged to accept the said Principal as a client, and consequently Aglobe Investments Ltd shall be entitled to consider the Client as Principal in relation to the Contract.

4.7 When the Client enters into a Contract Option with Aglobe Investments Ltd, Aglobe Investments Ltd will act as counterparty to the Client. Aglobe Investments Ltd will enter into a contract with a Counterparty which is identical in all respects to the contract between Aglobe Investments Ltd and the Client. The Counterparty will in turn enter into a contract on the relevant exchange (unless Market Rules requires the Counterparty to act as Aglobe Investments Ltd's agent in which case Aglobe Investments Ltd will enter into a contract on the exchange). The Client is contracting with Aglobe Investments Ltd and has no right of recourse against Aglobe Investments Ltd's Counterparties or any right over contracts between Aglobe Investments Ltd and its Counterparties.

4.8 The Client acknowledges, recognizes and understands that:

4.8.4 Aglobe Investments Ltd shall not be liable for any loss as further stipulated in Clause 22.3 and suffered by the Client as a result of the acts or omissions of any exchange or clearing house or any action reasonably taken by Aglobe Investments Ltd as a result of

such acts or omissions unless Aglobe Investments Ltd has exercised gross negligence in connection hereby;

- Aglobe Investments Ltd considers that the Client may be in possession of Inside Information;
- Aglobe Investments Ltd considers that there are abnormal trading conditions; or
- Aglobe Investments Ltd is unable to calculate prices in the relevant Contract due to the unavailability of the relevant market information.

Aglobe Investments Ltd informs the Client of the withdrawal and the reasons for it, where possible, before the withdrawal and if this is not possible immediately thereafter, unless giving such information would compromise objectively justified security reasons;

4.8.8 Aglobe Investments Ltd reserves a right to raise commission on withdrawal up to 4.5% in case there is no sufficient trading activity between last deposit and withdraw request

4.9 Aglobe Investments Ltd shall not provide any advice to the Client on any tax issues related to any Services. The Client is advised to obtain individual independent counsel from its financial advisor, auditor or legal counsel with respect to tax implications of the respective Services.

4.10 Notwithstanding any other provision of this Agreement, in providing its Services, Aglobe Investments Ltd shall be entitled to take any action considered necessary and reasonable to ensure compliance with the Market Rules and all other applicable laws and regulatory decisions.

## **5. DEALINGS BETWEEN AGLOBE INVESTMENTS LTD AND THE CLIENT**

5.1 The Client may provide Aglobe Investments Ltd with oral or written instructions (which shall include instructions provided via the internet or by e-mail as described below). Aglobe Investments Ltd shall acknowledge the reception of the instructions orally or in writing, as appropriate.

5.2 The Client shall inform Aglobe Investments Ltd in writing of the persons the Client has granted a Power of Attorney to instruct Aglobe Investments Ltd on behalf of the Client. For practical reasons, Aglobe Investments Ltd can only undertake to register one Power of Attorney for the Client. If the Client at any time wishes to revoke such a Power of Attorney, to change the extent of the Power of Attorney, or grant Power of Attorney to a different person this shall also be informed to Aglobe Investments Ltd in writing. Aglobe Investments Ltd is in accordance with general rules regarding Power of Attorneys entitled to receive instructions from any person authorised by the Client as well as persons who appear authorised.

5.3 In addition to the terms listed on Aglobe Investments Ltd 's website and the terms stated in Section 6 regarding the Trading Platform, the following terms apply to Contracts executed on the internet:

5.3.1 Aglobe Investments Ltd shall not undertake the risk towards Clients for any loss, expense, cost or liability suffered or incurred by the Client due to failure of the system, transmission failure or delays or similar technical errors unless Aglobe Investments Ltd has exercised gross negligence in connection herewith, notwithstanding Clause 6.9;

5.3.2 Aglobe Investments Ltd may offer real-time tradable prices to the Client. Due to delayed transmission between the Client and Aglobe Investments Ltd the price offered by Aglobe Investments Ltd may have changed before an order from the Client is received by Aglobe Investments Ltd. If automatic order execution is offered to the Client, Aglobe Investments Ltd shall be entitled to change the price on which the Client's order is executed to the market value at the time at which the order from the Client was received;

5.3.3 Prices offered by Aglobe Investments Ltd regarding the sale, purchase or exercise of Contract Options reflect the price of the relevant exchange traded product. Due to delays from the Client's execution of an order or instruction regarding a Contract Option to the execution of the relevant exchange traded product on the exchange, the price as listed on the Trading Platform is subject to change, in order for the Contract Option to reflect the price of the relevant exchange traded product at the time of its execution or exercise (as applicable);

5.3.4 The Trading Platform may be available in several versions, which may be differentiated in various aspects including, but not limited to the level of security applied, products and services available etc. Aglobe Investments Ltd shall not be liable to the

Client for any loss, expense, cost or liability suffered or incurred by the Client due to the Client using a version different from Aglobe Investments Ltd's standard version with all available updates installed;

5.3.5 The Client shall be responsible for all orders, and for the accuracy of all information, sent via the internet using the Client's name, password or any other personal identification means implemented to identify the Client;

5.3.6 The Client is obliged to keep passwords secret and ensure that third parties do not obtain access to the Client's trading facilities;

5.3.7 If the Trading Platform is used for Commercial use the Client is liable to Aglobe Investments Ltd for Contracts executed by use of the Client's password even if such use might be wrongful;

5.3.8 Regardless of the fact that the Trading Platform might confirm that a Contract is executed immediately when the Client transmits instructions via the Trading Platform, it is the Settlement/Trade Confirmation forwarded by Aglobe Investments Ltd or made available to the Client on the Trading Platform which solely constitutes Aglobe Investments Ltd's confirmation of execution.

5.4 Any instruction sent via the Trading Platform or by e-mail by the Client shall only be deemed to have been received and shall only then constitute a valid instruction and/or binding Contract between Aglobe Investments Ltd and the Client when such instruction has been recorded as executed by Aglobe Investments Ltd and confirmed by Aglobe Investments Ltd to the Client through the Settlement/Trade Confirmation and/or Account Statement, and the mere transmission of an instruction by the Client shall not constitute a binding Contract between Aglobe Investments Ltd and the Client.

5.5 The Client shall promptly give any instructions to Aglobe Investments Ltd, which Aglobe Investments Ltd may require. If the Client does not give such instructions promptly, Aglobe Investments Ltd may, at its reasonable discretion, take such steps at the Client's cost, as Aglobe Investments Ltd considers necessary or desirable for its own protection or the protection of the Client. This provision is similarly applicable in situations when Aglobe Investments Ltd is unable to obtain contact with the Client.

5.6 If the Client does not provide Aglobe Investments Ltd with notice of its intention to exercise an option, a Contract Option or another Contract which requires an instruction from the Client at the time stipulated by Aglobe Investments Ltd, Aglobe Investments Ltd may treat the option or Contract as abandoned by the Client. If the Client wishes to exercise an option, Contract Option or another Contract, the Client must provide Aglobe Investments Ltd with notice thereof in reasonable time (and within applicable cut-off

times) for Aglobe Investments Ltd to exercise the corresponding right under any contract equivalent to the Contract Option that Aglobe Investments Ltd has entered into with any Counterparty. Contract Options (put and call) that close one tick or more in the money on the last trading day will automatically be exercised, regardless of whether the Client has purchased or sold the Contract Option. The Client cannot instruct Aglobe Investments Ltd not to exercise Contract Options that are in the money at expiry and cannot at any time instruct Aglobe Investments Ltd to exercise Contract Options that are out of the money.

5.7 Aglobe Investments Ltd applies a random method of assignment among its Clients' Contract Options when Aglobe Investments Ltd is notified by its Counterparties that one or more short option positions have been assigned. Aglobe Investments Ltd's allocation method randomly selects short Contract Options among all Aglobe Investments Ltd's Clients' positions, including Contract Options opened immediately prior to the assignment. All short Contract Options are liable for assignment at any time. If a short Contract Option is assigned, the Client is obliged, within the applicable time of delivery, to deliver the relevant amount of cash or assets in the case of a call Contract Option and the relevant amount of cash in the case of a put Contract Option, to effect settlement.

5.8 Aglobe Investments Ltd may (but shall not in any circumstances be obliged to) require confirmation in such form as Aglobe Investments Ltd may reasonably request if an instruction is to close an Account or remit money due to the Client or if it appears to Aglobe Investments Ltd that such confirmation is necessary or desirable.

5.9 Pursuant to general rules regarding power of attorney the Client is accountable to Aglobe Investments Ltd for losses which Aglobe Investments Ltd may suffer as a result of instructions from a person who has explicitly or tacit power of attorney to give Aglobe Investments Ltd instructions on behalf of the Client.

5.10 Aglobe Investments Ltd reserves the right in its absolute discretion to cancel, unwind, close out, repair, reinstate or take other action it may deem necessary with respect to open or closed trades of Client or instructions from the Client where the trades executed or instructions submitted would be in violation of, but not limited to, the Agreement, securities markets legislation, usual market practices, legislation on money laundering or insider trading or if the Client is using or has otherwise engaged proprietary or third party malicious and manipulative software or plugins or general trading style that in Aglobe Investments Ltd's, its eligible counterparties' or liquidity providers' view, has the actual, suspected or potential nature of breaching the Agreement or relevant securities markets legislation or Aglobe Investments Ltd believes that to execute its absolute discretion with regards to the above matters is necessary to protect its own interests, or the interests of its Clients.

5.11 In general, Aglobe Investments Ltd shall act according to instructions as soon as practically possible and shall, as far as trading instructions are concerned, act consistent with the broker's Best Execution Policy. However, if after instructions are received, Aglobe Investments Ltd believes that it is not reasonably practicable to act upon such instructions within a reasonable time, Aglobe Investments Ltd may defer acting upon those instructions until it is, in Aglobe Investments Ltd's reasonable opinion, practicable to do so or as soon as possible notify the Client that Aglobe Investments Ltd is refusing to act upon such instructions.

5.12 It is possible that errors may occur in the prices of transactions quoted by Aglobe Investments Ltd. In such circumstances, without prejudice to any rights it may have, Aglobe Investments Ltd shall not be bound by any Contract which purports to have been made (whether or not confirmed by Aglobe Investments Ltd) at a price which: i Aglobe Investments Ltd is able to substantiate to the Client was manifestly incorrect at the time of the transaction; or ii was, or ought to have reasonably been known by the Client to be incorrect at the time of the transaction. In which case Aglobe Investments Ltd reserves the right to either cancel the trade all together or correct the erroneous price at which the trade was done to either the price at which Aglobe Investments Ltd hedged the trade or alternatively to the historic correct market price.

5.13 Trading strategies aimed at exploiting errors in prices and/or concluding trades at off-market prices (commonly known as "sniping") are not accepted by Aglobe Investments Ltd. Provided that Aglobe Investments Ltd can document that there on the time of the conclusion of the trade were errors in prices, commissions, or in the Trading Platform, and provided Aglobe Investments Ltd can render probable that the Client, based on its trading strategy or other provable behavior, deliberately and/or systematically has exploited or attempted to exploit such an error, Aglobe Investments Ltd is entitled to take one or more of the following countermeasures: i adjust the price spreads available to the Client; ii restrict the Client's access to streaming, instantly tradable quotes, including providing manual quotation only; iii retrieve from the Client's account any historic trading profits that Aglobe Investments Ltd can document have been gained through such abuse of liquidity at any time during the client relationship; and/or iv terminate the client relationship immediately by giving a written notice.

5.14 If the Client is more than one person (for example, joint account holders):

- i. the liabilities of each such person shall be direct, joint and several;
- ii. Aglobe Investments Ltd may act upon instructions received from anyone person who is, or appears to Aglobe Investments Ltd to be, such a person, whether or not such person is an Authorised Person;

iii.any notice or other communication provided by Aglobe Investments Ltd to one such person shall be deemed to have been provided to all such persons; and

iv.the rights of Aglobe Investments Ltd under Clause 19 shall apply if an event described in Clause 19 shall be deemed to have occurred in respect of any one of such persons.

5.15 The Client agrees that Aglobe Investments Ltd may record all telephone conversations, internet conversations (chat), and meetings between the Client and Aglobe Investments Ltd and use such recordings, or transcripts from such recordings, as evidence towards any party (including, but not limited to, any regulatory authority and/or court of law) to whom Aglobe Investments Ltd at its reasonable discretion sees it to be desirable or necessary to disclose such information in any dispute or anticipated dispute between Aglobe Investments Ltd and the Client. However, technical reasons may prevent Aglobe Investments Ltd from recording a conversation, and recordings or transcripts made by Aglobe Investments Ltd will be destroyed in accordance with Aglobe Investments Ltd `s normal practice. Consequently, the Client should not rely on such recordings to be available.

5.16 When the Client instructs Aglobe Investments Ltd to enter into a position opposite to one or more of the Client`s open positions, Aglobe Investments Ltd will close out the opposite position in accordance with the FIFO principles unless the position has related orders or otherwise agreed.

5.17 The Client acknowledges that Aglobe Investments Ltd has the right to, but not the obligation to close directly opposite positions. This applies not only when the positions are held on the same account, but also when they are held on separate accounts.

5.18 If the Client operates several Accounts (or subaccounts) and opposite positions are opened on different Accounts (or sub-accounts), Aglobe Investments Ltd shall not close out such positions. The Client is specifically made aware that unless closed manually, all such positions may be rolled over on a continuous basis and thereby consequently all incur a cost for such roll-over.

## **6. SPECIAL NOTE ON THE USE OF THE TRADING PLATFORM**

6.1 The technical requirements to which the Client`s IT equipment, operating system, Internet connection etc. shall conform are described on Aglobe Investments Ltd `s website.

6.2 The Client shall enter his user ID and password when logging on to the Trading Platform. The Client should memorize the password. The Client is obligated to notify Aglobe Investments Ltd without undue delay on becoming aware of unauthorized use of the Trading Platform, or if the Client suspects that the password has been misappropriated by a third party, the Client shall contact Aglobe Investments Ltd

immediately to block his Trading Platform. The Client can then order a new password. The Client is for a period of 18 months after notification entitled to request Aglobe Investments Ltd to provide the Client with the means to prove that he made such notification.

6.3 The Client can block his Trading Platform at any time by contacting Aglobe Investments Ltd. Blocking the Trading Platform prevents other persons from accessing it. Open orders and positions placed on the platform before the blocking will not be affected by the blocking unless the Client specifically requests so, and the Client is responsible for deciding about his positions.

6.4 The right to use the Trading Platform is personal, and the Client shall not allow other persons to use his user ID and/or his password. If the Client wants to allow a third party to trade on the Client's account, the Client shall issue a separate Power of Attorney to the relevant third party. The Power of Attorney shall be written on one of Aglobe Investments Ltd's power of attorney forms. The issue of the Power of Attorney shall be approved by Aglobe Investments Ltd.

6.5 From the Trading Platform the Client can print reports on trading activities and his account balances.

6.6 Where the Client has placed an order which he subsequently regrets, the Client may request that the order be cancelled up until the time of execution. The Client is aware that Aglobe Investments Ltd is under no obligation to cancel the order. A request for cancellation or an order can be made via the Trading Platform or by calling Aglobe Investments Ltd Sales Trading. Requests concerning cancellation of orders generated when the margin is exceeded can only be made to Aglobe Investments Ltd Sales Trading. An order shall not be considered to be cancelled until the Client has received a written confirmation from Aglobe Investments Ltd.

6.7 The Client shall not be liable for unlawful use of the Trading Platform occurring after the Client has informed Aglobe Investments Ltd.

6.8 Where the Trading Platform is used for Private Use, Aglobe Investments Ltd shall be liable for direct losses resulting from defectively executed orders, unless defectively executed order is due to conditions for which the Client is liable. Aglobe Investments Ltd shall not be liable for any indirect losses.

6.9 Aglobe Investments Ltd shall not be liable for losses in cases of abnormal and unforeseeable circumstances beyond the control of Aglobe Investments Ltd pleading for the application of those circumstances, the consequences of which would have been unavoidable despite all efforts to the contrary.

6.10 If the Trading Platform is used for Commercial use Aglobe Investments Ltd shall not be liable for any indirect losses and/or losses resulting from: i Operational failures preventing the use of the Trading Platform; ii Interruptions preventing the Client from accessing the Trading platform; iii Use of the Internet as a means of communication and transport; iv Damage caused by matters relating to the Client's own computer systems.

6.11 Aglobe Investments Ltd shall not be responsible for losses resulting from the Client's installation and use of the computer programs used on the Trading Platform, unless such liability follows from indispensable rules of law. Where the Trading Platform is used for Commercial Use, the Client shall be responsible for ensuring that the Trading Platform is adequately insured against direct and indirect losses which may result from the installation and use of the computer programs in the Client's computer system. Furthermore, the Client shall be obliged to make backup copies of data which, should such data be lost, might result in losses for the Client.

6.12 Aglobe Investments Ltd reserves the right to archive or disable the Client Account that is inactive (no trading and/or deposit/withdrawal activity) for at least 90 calendar days and has a balance of equal or less than 10 United States Dollars or equivalent in other currencies. The Client Account may be restored from archive only to generate a report/statement and not for trading or depositing. Restored Client Account is again put back to archive once the report/statement is generated. The Client may always open a new trading account and is allowed to transfer any archived balance to the new account. Aglobe Investments Ltd is not obligated to inform the Client prior to or after archivation/disabling.

6.13 Without prejudice to Clause 6.12 of the Agreement, the Client agrees that the Company will charge an inactivity fee of 10 United States Dollars per month (or equivalent in other currencies, hereinafter referred to as the "Inactivity Fee"), in the event where the Client's Account has not been used for the execution of any transaction in the previous 6 months and/ or the Account has not been used, in the previous 6 months, for holding open position(s). It is hereby clarified that the Inactivity Fee will only be charged if the Account's balance is greater than zero.

## **7. MARGINS, SECURITY, PAYMENTS AND DELIVERY**

7.1. The Client shall pay to Aglobe Investments Ltd on demand: i such sums of money by way of deposits, or as initial or variation margin as Aglobe Investments Ltd may require. In the case of a Contract affected by Aglobe Investments Ltd on an exchange, such margin shall be not less than the amount or percentage stipulated by the relevant exchange plus any additional margin that Aglobe Investments Ltd at its reasonable discretion may require ii such sums of money as may from time to time be due to Aglobe Investments Ltd under a Contract and such sums as may be required in or towards

clearance of any debit balance on any Account; iii such sums of money as Aglobe Investments Ltd may from time to time require as security for the Client's obligations to Aglobe Investments Ltd ; and iv any amount to maintain a positive cash balance on any and all Account(s).

7.2. Aglobe Investments Ltd may without notice change the margin requirement towards the Client to reflect changes in applicable margin requirements for Aglobe Investments Ltd from time to time under any Counterparty contract.

7.3. If the Client makes any payment which is subject to any price fluctuations, withholding or deduction, the Client shall pay to Aglobe Investments Ltd such additional amount to ensure that the amount actually received by Aglobe Investments Ltd will equal the full amount Aglobe Investments Ltd would have received had no price fluctuations, withholding or deduction been made.

7.4. 12.2 If the Client fails to fulfill any obligation under this Agreement, Aglobe Investments Ltd is entitled to sell any pledged Security immediately without any notice or court action. Such sale shall take place by the means that Aglobe Investments Ltd in its reasonable discretion determines and at the price that Aglobe Investments Ltd in its reasonable discretion determines to be the best obtainable.

## **13. NETTING AGREEMENT**

13.1 If on any date the same amounts are payable under this Agreement by each party to the other in the same currency, then, each party's obligations to make payment of any such amount will be automatically satisfied by netting. If the amounts are not in the same currency, the amounts are converted by Aglobe Investments Ltd in accordance with the principles referred to in Clause 11.

13.2 If the aggregate amount that is payable by one party exceeds the aggregate amount that is payable by the other party, then the party by whom the larger aggregate amount is payable shall pay the excess to the other party and the obligations to make payment of each party will be satisfied and discharged.

13.3 If the Client, at any time during the Client relationship, has a negative cash-balance in any Account, Aglobe Investments Ltd is entitled but not obligated to net between the Client's Accounts. 13.7 When determining the value of the Contracts to be netted, Aglobe Investments Ltd shall apply its usual spreads and include all costs and other charges.

13.8 This netting agreement shall be binding towards the estate and creditors of the parties to the client relationship.

#### **14. MARKET MAKING**

14.1 When Aglobe Investments Ltd executes orders as Agent for the Client on a recognized stock or futures exchange, Aglobe Investments Ltd will not be a party to such a trade as such orders will be executed in the trading system of the relevant exchange at the best price and the most favourable conditions available at the time of the order or according to the Client's specific instructions, e.g. in a situation where the Client has chosen to limit the order. Aglobe Investments Ltd will not include any additional spread in the price of the execution achieved for the Client but will be remunerated according to the Commissions, Charges & Margin Schedule.

14.2 The Client is specifically made aware that in certain markets, including the foreign exchange markets, OTC foreign exchange options and CFD Contracts, Aglobe Investments Ltd may act as a Market Maker.

14.3 When acting as a Market Maker, Aglobe Investments Ltd will under normal market circumstances quote the Client bid and ask prices.

14.4 In order for Aglobe Investments Ltd to quote prices with the swiftness normally associated with speculative trading, Aglobe Investments Ltd may have to rely on available price or availability information that may later prove to be faulty due to specific market circumstances, for instance, but not limited to, lack of liquidity in or suspension of an asset or errors in feeds from information providers or quotes from Counterparties. If so and if Aglobe Investments Ltd has acted in good faith when providing the price to the Client, Aglobe Investments Ltd may cancel the trade with the Client but shall do so within reasonable time and shall provide the Client with a full explanation for the reason for such cancellation.

14.5 Following execution of any position with a Client, Aglobe Investments Ltd may at Aglobe Investments Ltd's reasonable discretion subsequently offset each such client position with another client position, or a position with one of Aglobe Investments Ltd's Counterparties or retain a proprietary position in the market with the intention to obtain trading profits from such positions. Such decisions and actions may therefore result in Aglobe Investments Ltd off-setting client positions at prices different (sometimes significantly different) from prices quoted to clients, resulting in trading profits or losses for Aglobe Investments Ltd. This in turn can raise the possibility of the Client incurring what may be seen as an implied cost (i.e. the difference between the price at which the Client traded with Aglobe Investments Ltd and the price at which Aglobe Investments Ltd subsequently traded with Counterparties and/or other clients) due to any profits realised by Aglobe Investments Ltd as a result of the Market Making function. However, the Market Making function may involve significant costs to Aglobe Investments Ltd if the market moves against Aglobe Investments Ltd as compared to the price at which Aglobe Investments Ltd traded with the Client.

14.6 The Client accepts that Aglobe Investments Ltd in such markets where Aglobe Investments Ltd acts as Market Maker, may hold positions that are contrary to positions of the Client, resulting in potential conflicts of interest between Aglobe Investments Ltd and the Client, cf. Clause 16.

14.7 In markets, where Aglobe Investments Ltd acts as a Market Maker, the Client accepts that Aglobe Investments Ltd has no obligation to quote prices to clients at all times in any given market, nor to quote such prices to clients with a specific maximum spread.

14.8 In markets, where Aglobe Investments Ltd acts as a Market Maker, Aglobe Investments Ltd may or may not charge commissions. However, irrespective of whether or not Aglobe Investments Ltd charges any commissions, the Client accepts that Aglobe Investments Ltd will seek to make additional profits out of its performance as a Market Maker and the size of any such profits may be considerable if and when compared with the Client's margin deposit.

14.9 The Client acknowledges, recognizes and accepts that the price quoted to the Client includes a spread when compared with the price to which Aglobe Investments Ltd may have covered or expected to be able to cover the Contract in a trade with another client or a Counterparty. Furthermore, the Client acknowledges, recognizes and accepts that said spread constitutes remuneration to Aglobe Investments Ltd and that such spread not necessarily can be calculated for all Contracts and that such spread will not be specified at the Settlement/Trade Confirmation or otherwise revealed to the Client.

14.10 The Client acknowledges, recognizes and accepts that Aglobe Investments Ltd quotes variable spreads on options. The Client is specifically made aware that variable option spreads are affected by actual market conditions, which are beyond Aglobe Investments Ltd's control. Aglobe Investments Ltd does not guarantee any maximum or minimum quotable option spreads.

14.11 Any commission costs, interest charges, costs associated to and included in the spreads quoted by Aglobe Investments Ltd as a Market Maker in certain markets and other fees and charges will consequently influence the Client's trading result and will have a negative effect on the Client's trading performance compared to a situation if such commission costs, interest charges, costs associated to and included in the spreads did not apply.

14.12 Whilst dealing spreads and commissions are normally considered moderate seen in relation to the value of the assets traded, such costs may be considerable when compared with the Client's margin deposit. As a consequence thereof the Client's margin deposit may be depleted by trading losses that the Client may incur and by the directly visible dealing costs such as commissions, interest charges and brokerage fees as well as the said not visible costs for the Client, caused by Aglobe Investments Ltd's performance as a Market Maker.

14.13 If the Client is an active trader and is undertaking numerous transactions, the total impact of as well visible as not visible costs may be significant. Consequently, the Client may have to obtain significant profits in the markets in order to cover the costs associated with trading activities with Aglobe Investments Ltd. For very active Clients, such costs may over time exceed the value of the margin deposited. Normally, when trading margined derivatives, the lower the percentage of the applicable margin rate, the higher the proportion of the costs associated with executing a transaction.

14.14 The Client is specifically made aware that in the area of market making in foreign exchange, OTC foreign exchange options, CFD Contracts and other OTC products, significant implied costs can arise as a consequence of the profits made by Aglobe Investments Ltd performing in its capacity as a Market Maker.

14.15 Aglobe Investments Ltd's performance as a Market Maker may negatively affect the Client's Account with Aglobe Investments Ltd and the said implied costs are neither directly visible nor directly quantifiable for the Client at any time.

14.16 Aglobe Investments Ltd is at no time obliged to disclose any details of its performance or income produced as a Market Maker or otherwise related to other commissions, charges and fees.

14.17 The Client is specifically made aware that CFD Contracts may be OTC products quoted by Aglobe Investments Ltd whilst operating as a Market Maker and not traded on a recognized stock exchange. As a result, the description above of the implied, not visible costs related to Aglobe Investments Ltd's performance as a Market Maker may also apply to any CFD Contract.

## **15. AGGREGATION AND SPLIT**

15.1 Aglobe Investments Ltd is in accordance with the broker's Best Execution Policy entitled to aggregate the Client's orders with the broker's own orders, orders of any of the broker's associates and/or persons connected with Aglobe Investments Ltd including employees and other clients. Furthermore, Aglobe Investments Ltd may split the Client's orders when executing these. The orders will only be aggregated or split if Aglobe Investments Ltd reasonably believes it to be in the best interest of the Client. On some occasions aggregation and split of the Client's order may result in the Client obtaining a less favourable price than if the Client's orders had been executed respectively separately or mutually.

## **16. CONFLICTS OF INTEREST**

16.1 Aglobe Investments Ltd, its associates or other persons or companies connected with Aglobe Investments Ltd may have an interest, relationship or arrangement that is material in relation to any transaction or Contract effected by Aglobe Investments Ltd, under this Agreement. By accepting this Agreement and Aglobe Investments Ltd's Conflict of Interest Policy (which distinctly describes the general character and/or background of any conflict of interest) the Client agrees that Aglobe Investments Ltd may transact such business without prior reference to any potential specific conflict of interest.

## **17. AGLOBE INVESTMENTS LTD'S COUNTERPARTIES**

17.1 In order to give effect to the Client's instructions, Aglobe Investments Ltd may instruct a Counterparty selected at Aglobe Investments Ltd's discretion and Aglobe Investments Ltd shall do so where the transaction is to be subject to the rules of an exchange or market of which Aglobe Investments Ltd is not a member.

17.2 Aglobe Investments Ltd shall not be responsible for errors committed by such Counterparties unless it is proven that Aglobe Investments Ltd has not acted with sufficient care when selecting the Counterparty.

## **18. INTRODUCING BROKERS**

18.1 The Client may have been referred to Aglobe Investments Ltd by an Introducing Broker. If so, Aglobe Investments Ltd shall not be responsible for any agreement made between the Client and the Client's Introducing Broker. The Client acknowledges that any such Introducing Broker will either be acting as an independent intermediary or an Agent for the Client and that no such Introducing Broker shall be authorised to make any representations concerning Aglobe Investments Ltd or Aglobe Investments Ltd's Services.

18.2 The Client is specifically made aware that the Client's agreement with its Introducing Broker may result in additional costs as Aglobe Investments Ltd may pay fees or commission to such person.

18.3 The Client is also specifically made aware that the Client's agreement with its Introducing Broker may result in additional costs for the Client because the Introducing Broker can deduct commissions and fees as well as price or interest/financing rate adjustments for any trade conducted on or allocated to the Client's account either by the Introducing Broker or the Client.

18.4 If the Introducing Broker undertakes any deductions from the Client's Trading Account according to any agreement between the Client and the Introducing Broker, Aglobe Investments Ltd has no responsibility as to the existence or validity of such an agreement.

18.5 The Client acknowledges and agrees that the spreads that are indicated on [Aglobe Investments Ltd's website](#) are typical spreads, which means that the, and as such, actual spreads available that are applicable to the Client might vary from such typical spreads, due to, for instance (i.e., including but not limited to), the fact. The difference may be caused (including but not limited to) by the fact that such the Client has been referred to Aglobe Investments Ltd by an Introducing Broker.

18.6 Aglobe Investments Ltd shall have no responsibility or liability to the Client in following the instructions given by the Introducing Broker. Aglobe Investments Ltd is under no obligation to supervise or otherwise know or review the payment instructions or any other acts, including but not limited to the trading, of the Introducing Broker.

18.7 The client acknowledges and accepts that frequent transactions may result in a sum total of commissions, fees, price or interest/financing rate adjustments for trades conducted that may be substantial and not necessarily be offset by the net profits, if any, achieved from the relevant trades. The responsibility for correctly assessing whether the size of the total commissions, fees, price or interest/financing rate adjustments for trades conducted paid from the Client's account makes trading commercially viable, is the combined responsibility of the Client and the Introducing Broker. Aglobe Investments

Ltd only acts as the custodian and principal broker, and therefore is not responsible for the size of the commissions and fees as well as price or interest rate paid by the Client.

18.8 Any commissions, fees, price or interest/financing rate adjustments for trades conducted may be shared between the Introducing Broker, Aglobe Investments Ltd and third parties according to the Introducing Broker's written instructions and/or at Aglobe Investments Ltd's discretion.

## **19. DEFAULT AND DEFAULT REMEDIES**

## **30. RISK DISCLOSURE STATEMENT FOR TRADES IN FOREIGN EXCHANGE AND DERIVATIVES (INCLUDING CFD'S, FUTURES AND OPTIONS)**

This brief statement, which constitutes an addition to this Agreement, does not disclose all of the risks and other significant aspects of trading foreign exchange and derivatives.

In consideration of the risks, you should enter into transactions with the mentioned products only if you understand the nature of the contracts and the contractual legal relationship into which you are entering and the extent of your exposure to risk. Transactions in foreign exchange and derivatives are not suitable for many members of the public. You should carefully consider whether transacting is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances.

## **Appendix**

### **1. FOREIGN EXCHANGE AND DERIVATIVES**

**1.1 Effect of "Leverage" or "Gearing" Transactions in foreign exchange and derivatives** carry a high degree of risk. The amount of initial margin may be small relative to the value of the foreign exchange or derivatives contract so that transactions are "leveraged" or "geared". A relatively small market movement will have a proportionately larger impact on the funds you have deposited or will have to deposit; this may work against you as well as for you. You may sustain a total loss of initial margin funds and any additional funds deposited with Aglobe Investments Ltd to maintain your position. If the market moves against your position and/or margin requirements are increased, you may be called upon to deposit additional funds on short notice to maintain your position. Failing to comply with a request for a deposit of additional funds, may result in closure of your position(s) by Aglobe Investments Ltd on your behalf and you will be liable for any resulting loss or deficit.

**1.2 Risk-reducing Orders or Strategies** The placing of certain orders (e.g. "stop-loss" orders, where permitted under local law, or "stop-limit" orders), which are intended to limit losses to certain amounts, may not be adequate given that markets conditions make it impossible to execute such orders, e.g. due to illiquidity in the market. Strategies using combinations of positions, such as "spread" and "straddle" positions may be as risky as taking simple "long" or "short" positions.

### **OPTIONS**

**1.3 Variable Degree of Risk** Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarize themselves with the type of option (i.e., put or call) which they contemplate trading and the associated risks. You should calculate the extent to which the value of the options must increase for your position to become profitable, taking into account the premium and all transaction costs. The purchaser of options may offset or exercise the options or allow the option to expire. The exercise of an option results either in a cash settlement or in the purchaser acquiring or delivering the underlying interest. If the option is on a future, the purchaser will acquire a futures position with associated liabilities for margin (see the section on Futures above).

If the purchased option is out-of-the-money when it expires, you will suffer a total loss of your investment, which will consist of the option premium plus transaction costs. If you are contemplating purchasing out-of-the-money options, you should be aware that the chance of such options becoming profitable ordinarily is remote.

Selling ("writing" or "granting") an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavourably. The seller will also be exposed to the risk of the purchaser exercising the option and the seller will be obligated to either settle the option in cash or to acquire or deliver the underlying interest. If the option is on a future, the seller will acquire a position in a future with associated liabilities for margin (see the section on Futures above). If the option is "covered" by the seller holding a corresponding position in the underlying asset, in a future or in another option, the risk may be reduced. In case the option is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

## 2. ADDITIONAL RISKS COMMON TO FOREIGN EXCHANGE AND DERIVATIVE TRANSACTIONS

**2.1 Terms and Conditions of Contracts** You should ask the firm with which you deal about the terms and conditions of the Contracts entered into and information on associated obligations (e.g. the circumstances under which you may become obligated to make or take delivery of the underlying interest of a futures contract and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

**2.2 Suspension or Restriction of Trading and Pricing Relationships** Market condition (e.g. illiquidity) and/or the operation of the rules of certain markets (e.g., the suspension of trading in any contract or contract month because of price limits or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect transactions or close/ offset positions. If you have sold options, this may increase the risk of loss. Normal pricing relationships between the underlying asset and a derivative do not always exist. The absence of an underlying reference price may make it difficult to judge "fair" value.

**2.3 Deposited Cash and Property** You should familiarize yourself with the protections accorded the Security you deposit by way of money or other assets in domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or other assets is governed by the legislation and local rules in the country at which location the counterparty acts.

**2.4 Commission and Other Charges** Before you begin to trade, you should obtain a clear explanation of all commission, fees and other charges for which you will be liable. These charges will affect your net profit or loss.

**2.5 Transactions in Other Jurisdictions** Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation, which may offer different or diminished investor protection. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your transactions have been effected.

**2.6 Currency Risks** The profit or loss in transactions in foreign currency-denominated contracts in another currency than your account currency will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to the account currency.

**2.7 Trading Facilities** Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary: you should ask the firm with which you deal for details in this respect.

**2.8 Electronic Trading** Trading on an electronic trading system may differ not only from trading in an open outcry market but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions, is not executed at all and a lack of capability to keep you informed continuously about your positions and fulfillment of the margin requirements.

**2.9 Off-Exchange Transactions** In some jurisdictions firms are permitted to effect off-exchange transactions. The firm with which you deal may be acting as your counterpart to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these

reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such transactions, you should familiarize yourself with applicable rules and attendant risks.
